

WELCOME TO HATCH

Hatch is a collective which revolves around music and other creative fun. We operate as a practice space, workshop and live music venue.

It's run by a diverse mix of people and there's no fixed approach, but we are all passionate about encouraging people to get involved in a DIY community that's alternative, independent and in many ways counter to the cultures and structures we're surrounded by.

Live music and performances are for everyone and we believe in being a positive force along with other grass-roots DIY venues and independent record labels, not only in Sheffield, but also further afield.

☺ WE HOPE YOU HAVE A GREAT TIME ☺ BE EXCELLENT TO EACH OTHER ☺
☺ DON'T BE DICK ☺

If you have any problems at an event:

- You can speak to the Hatch volunteers running the event you are at. They, or someone who can help you find them, will be at the front of the venue running the door at the Boat Bar. We promise that we will listen to you.

- You can also email us on hatch.saferpace@gmail.com. We will keep anything you tell us confidential where possible.

By being in this space you become part of our community.

We have a full Safer Spaces & Accessibility Policy in the venue and online at hatchsheffield.com. But if you're here – remember that we respect each other and don't tolerate violence, harassment or prejudice.
